

PREVENTIVE ADVANTAGE

Removing obstacles to Good Oral Health

Introducing Preventive Advantage!

- Members can access preventive care *without* having the benefit deducted from their annual maximum
- Members pay the applicable co-insurance for preventive care
- The entire annual maximum amount is preserved for other dental needs

***The Annual Maximum is increased by
the amount of preventive benefits a Member receives!***

Dentists recommend oral exams and cleanings every six months. Now plan members can take good care of their oral health without having to balance the need for additional dental care.

Take advantage of Preventive Care for good oral health	...and save the annual maximum for other dental care needs
